## AUSTRALASIAN COLLEGE OF MEDICAL NUTRITION

*providing essential and excellent training in the application of nutrients in modern medical care*

## 2010 Injectable Nutrients Workshops

- Powerful therapies & recovery programs available only to doctors
- How to maximise the therapeutic effects of nutrients

*“The weekend was a success. I found it very useful and the practical sessions were good.”*

Dr. A. N., after the April workshop in Melbourne

### Injectable nutrients training for doctors and practice nurses

2-day training enabling you to confidently and safely apply **intravenous** and **intramuscular** delivery of vital healing nutrients.

Minimise or solve issues of absorption, gut tolerance and patient compliance using these reliable and convenient therapies in a clinical setting

- presented by medical practitioners and other experts in the field
- focus on safety, techniques and protocols
- exploration of efficacy
- discussion based on cases and the literature
- covers theory and practical considerations and offers hands-on sessions
- on-going support

**Register now** using form overleaf for early-bird discounts (plus note pricing incentive for nursing staff)
